Real estate & construction lawyer focusing on disputes and project development

Experience

Arnas advises clients on real estate development, construction projects, and purchase and sale issues, and represents clients before state and municipal institutions.

Arnas has experience in resolving complex legal disputes related to the application of civil liability and regulations in the fields of construction and territorial planning.

Before joining Motieka & Audzevičius in 2022, Arnas worked as a lawyer's assistant at the Černiauskas and Partners law firm, was a specialist in the Real Estate Department of the Kaunas City Municipality, and was Deputy Director at the Vantoma Ltd. real estate development company.

Working languages: English, German, Lithuanian
